

At The Salty Dog we believe that our great local produce gives a unique twist to some of the world's classic bistro and pub dishes. From breakfasts & bar snacks, to classic pub and restaurant dishes we work with local producers to bring the best of Ireland to the plate.

To Nibble

At The Salty Dog we are known for our cocktails, Northern Irish craft beers and our selection of gins and wines. These dishes are designed to be nibbled at whilst swapping stories over one of the drinks or indeed just a cup of tea, coffee or hot chocolate.
